Dental benefits for businesses with 2-50 employees

Employees are a small business owner’s greatest investment, and it’s difficult to balance protecting employee health and managing a budget.

That’s why we’ve specially designed a portfolio of dental plans to help small businesses with as few as 2 employees meet their benefit goals. We deliver valuable dental benefits at affordable rates, we

eliminate complicated benefits administration and we cover more than the bare minimum with rich plans designs — that’s the **Delta Dental Difference®**.
