

# Allow Pop-ups to Print Member Benefits

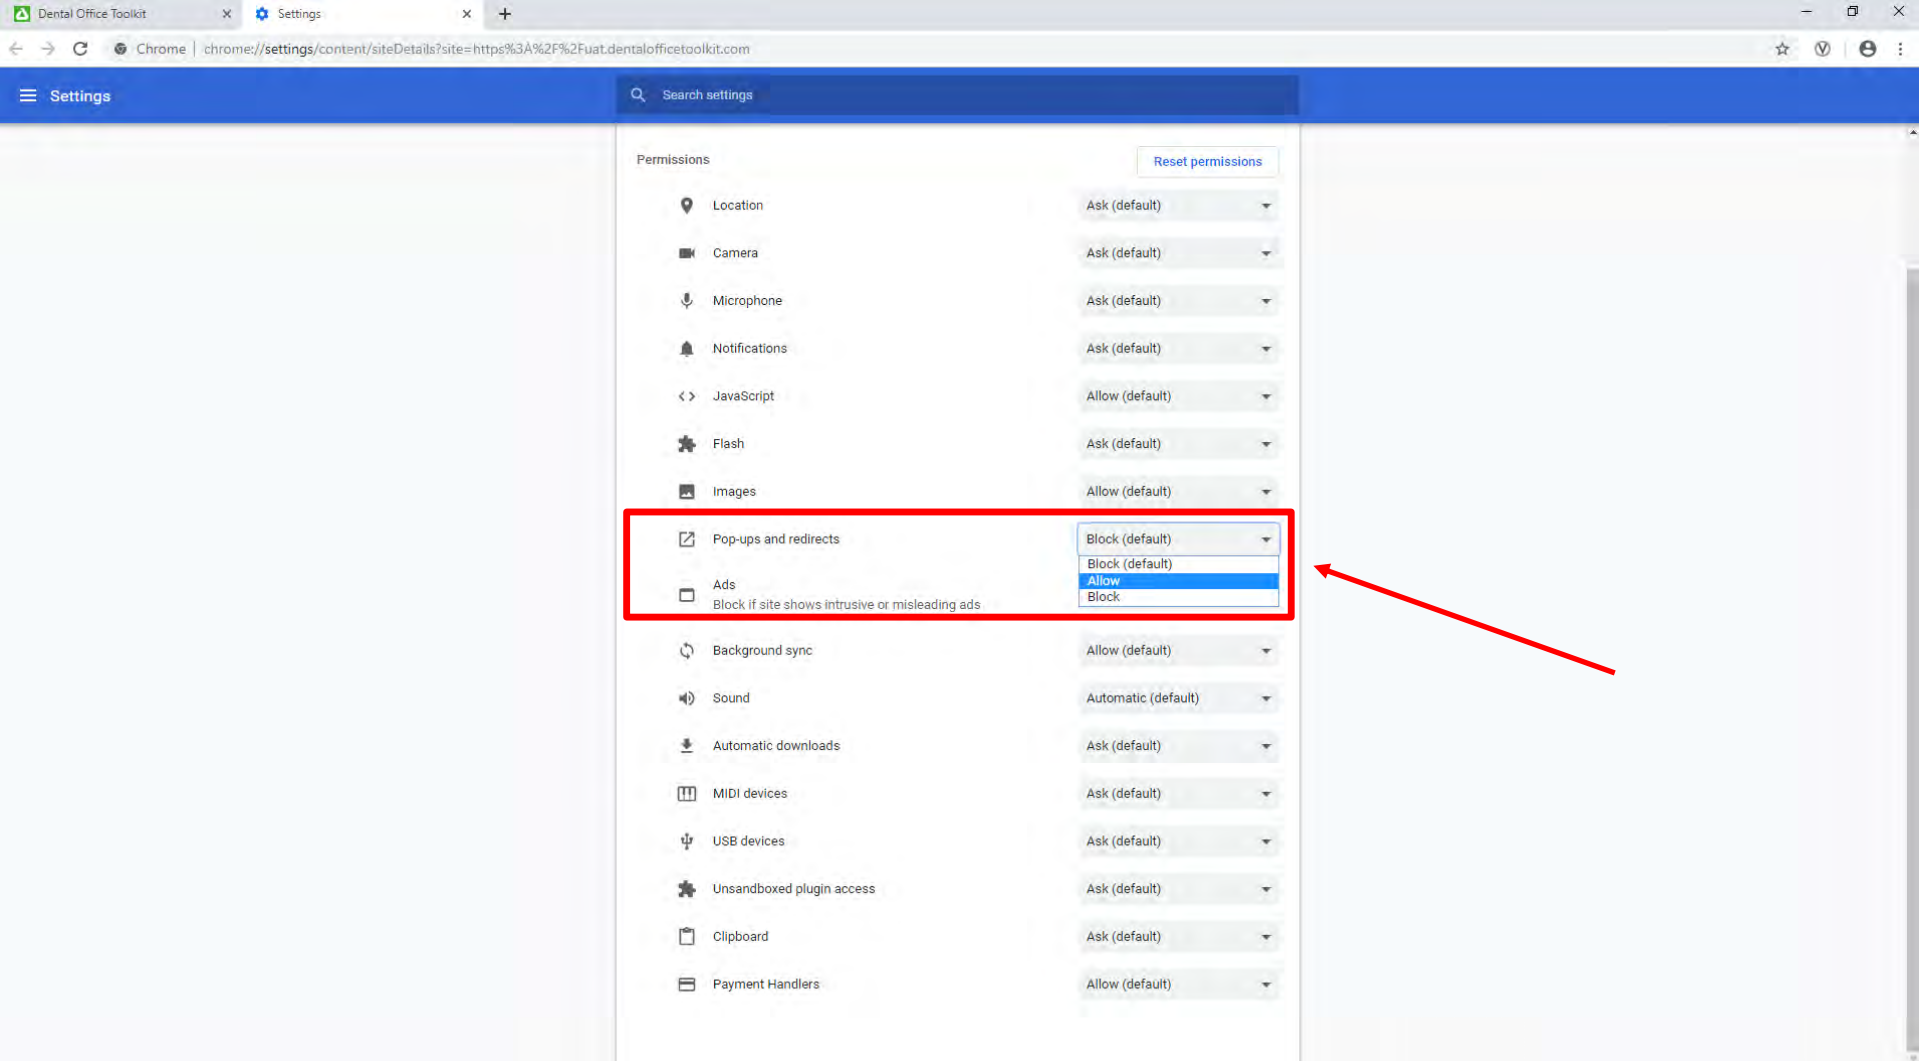

*Google Chrome*

1. Click on the lock icon in the address bar

The screenshot shows a web browser window with the URL <https://uat.dentalofficetoolkit.com/dot-ui/login>. A green header bar at the top contains the Dental Office Toolkit logo and name. A security warning dialog box is open in the top-left corner, titled "Connection is secure". It contains the text: "Your information (for example, passwords or credit card numbers) is private when it is sent to this site. [Learn more](#)". Below this text are three items: "Certificate (Valid)", "Cookies (44 in use)", and "Site settings". The "Site settings" item is highlighted with a red rectangular box, and a red arrow points from this box towards the bottom of the page. The main content area features a login form with the following elements: "Username:" label and a text input field containing "Username"; "Password:" label and a text input field containing "Password"; two radio button options: "This is a public computer" (unselected) and "This is a private computer" (selected); a black "Login" button; two blue links: "Forgot User ID" and "Forgot Password"; a green bar at the bottom of the form with the text "Not Yet Registered?" and a black "REGISTER" button; and a blue link: "How to Register Your Account?". At the bottom of the page, a black footer bar contains several links: "HIPAA Privacy", "GLB Privacy", "Privacy Policy", "Terms of Use", "Requirements", and "Contact Us".

2. Click on "Site settings"

3. Scroll down to “Pop-ups and redirects” and change the setting to “Allow”
4. Refresh the DOT website
